WECAB is appropriate contact for this issue:

Ryan Bahr is SC in WECAB for Indiana

Dean Maraldo is BC in Enforcement

David Soong is permit writer for BP

Hello!

There's a spill at the BR Whiting facility from their outfall and we are trying to get in touch with the NPDES supervisor Kevin, he seems to be currently MIA. Do any of you know if he is in the office today or if he has an acting? Or???

Thank girls-

Theresa Holz
